TRADE AND DEVELOPMENT BOARD

GENERALIZED SYSTEM OF PREFERENCES

Scheme of Norway

Amendment

The UNCTAD secretariat has received the following communication from the Permanent Mission of Norway:

"The Norwegian Ministry of Finance has decided that all products under four digit tariff position 61.15 shall enjoy tariff-free treatment in Norway under the Norwegian GSP system presupposing that the general criteria for preferential treatment are fulfilled. This decision took effect from 1 January 1994. HS 61.15 should therefore be withdrawn from the general exemption list."
